
QUALITY MANAGEMENT POLICY STATEMENT

In order to achieve our objectives, we aim to operate an effective quality management system that guarantees the consistent, impeccable quality of our services, ensures their continuous improvement, and consequently increases the satisfaction of our partners.

Therefore, we identify and document our processes, define their interrelations and characteristics, monitor customer and user needs, and develop our processes when necessary.

The management of Manupackaging Magyarország Kft. assumes responsibility for carrying out its activities in accordance with applicable legal regulations, under controlled and supervised conditions. In order to meet this responsibility, we monitor legal changes affecting our processes and, in the event of changes, we improve our processes accordingly. We implement embedded pre- and post-process managerial controls, risk analysis, and evaluation.

In the course of implementing our activities and strategic objectives, we pay special attention to ensuring that the individual career goals of our employees are aligned with the goals of Manupackaging Magyarország Kft. Our internal culture must reflect the values important to the organization and incorporate the need for continuous organizational and individual development. To ensure all of this, we publish our strategic objectives, involve our employees in planning, executing, monitoring, and evaluating the tasks required to achieve these objectives, and recognize and reward individual performance.

We expect our subcontractors/suppliers to accept our quality policy principles and to conduct their activities accordingly; therefore, we make our Quality Management Manual publicly available.

Each of our employees is responsible for the quality of their own work, for preventing defective services, and for eliminating improperly performed activities. Accordingly, we ensure the identification of the root causes of nonconformities and the prompt elimination of errors.

We expect every employee to contribute to the implementation of the above quality policy and to the success of Manupackaging Magyarország Kft. with their personal knowledge and sense of responsibility.

“Protection. Performance. Responsibility.”
